**Tuition Discount Options and Scholarships**

I understand that even if I am a scholarship family, I am responsible for the tuition until the scholarship payment is received. School can give an estimate of parent responsibility with the understanding that parent is responsible for all amounts not covered by any scholarships. Full payment of tuition prior to August 1<sup>st</sup> receives a 3% discount and does not apply to scholarship students. 10% sibling discounts are taken off the lowest tuition, are for full-time students only.

---

**Initial**

**Financial Responsibility**

I understand that once the registration form has been signed and the registration fee has been paid, our family is obligated to pay the full tuition and applicable fees for the entire academic year, even if the student is voluntarily withdrawn or dismissed from the school.

---

**Initial**

**Service Volunteer Hours**

I understand that I am required to log 30 volunteer hours for my child over the course of one year (add 5 additional hours per child in family if more than one child attends). Each volunteer hour is worth \$10 and donations can be accepted in lieu of hours. Volunteer hours that are not completed will be treated as unpaid tuition and added to the last month's tuition payment. Unpaid hours will delay the reenrollment process for the next school year.

---

**Initial**

**Textbooks, Workbooks & Supplies**

I understand all textbooks are the property of the school, and are to be promptly returned upon leaving the school, or at the end of the year. They should be returned in a good condition, except for gentle, normal wear and tear. If a book is lost or damaged there will be a separate fee for replacing the book

I also understand that fees will be paid in advance, until the 5<sup>th</sup> of each month, for the anticipated attendance during the current month. I also understand that, in effort to discourage late pick-ups, out of respect for our teachers' time, there will be a fee of \$3 per minute after 6PM. I also understand there will be an additional \$5 daily fee for any early or after care unpaid attendances and that all such fees, along with the regular early/after care charges, are due immediately.
