How did you hear about Paideia Classical Academy?
Being a PCA family means being a part of a covenant; in order to minimize its costs of operation, PCA needs the support of its families in the form of mandatory stewardship hours, as well as participating in its diverse fundraising opportunities. ALL PCA events are equally designed to both contribute to a stronger PCA-families community, but also to fundraise for the various needs of constant development. Is this something you are willing to be a part of?
What talents can you share with the school community?
